Dear all,

The forthcoming Udny Community Council meeting will be held at 7.30pm this Wed 21st Feb in the Quarry Room of the Medan Centre in Pitmedden. The meeting will also be online through Microsoft Teams for anyone who can't attend in person. I will send out a link to the Teams meeting 10 minutes before the start time.

For those attending in person, please would you ensure that you enter the Medan Centre via the Quarry Room door from the car park - please don't try to enter via the front of the building as there are building works in progress - a new disabled ramp is currently being installed.

Lastly, please find attached the agenda for this Wednesday's meeting and the draft minutes of January's meeting.

Kind regards
Matt Kaye
